**MEMORANDUM FOR: Director  
National Reconnaissance Office**

1. In order to take advantage of all opportunities to maximize collection of KH-7 photography on priority intelligence targets, I consider it desirable to make available the nominal orbit (nominal ephemeris) for KH-7 missions to COMOR.

2. Accordingly, please take appropriate action to make the required nominal orbit (nominal ephemeris) available to the COMOR not later than one week prior to the date when priorities for programming future missions are required.
